Evaluation of work

Final outcome

Presentation of portfolio

Design Activity Unit – design brief / research and initial development of ideas

Integrated critical studies

Portfolio – selection of idea for further development /development through design process

Evaluation of work

Design solution

Presentation of portfolio

ASSESSMENT:

Expressive Activity	Unit	Internal assessment Pass / Fail
	Portfolio	External assessment 80 marks

Design Activity	Unit	Internal assessment Pass / Fail
	Portfolio	External assessment 80 marks

Question Paper	Examination	External assessment 40 marks
-----------------------	--------------------	-------------------------------------

COMMITMENT

This course requires pupils to be highly motivated and enthusiastic. Pupils must be committed to the subject and be prepared to work in their own time on their unit, portfolio and final piece.

HOMEWORK

Homework must be completed on a regular basis as it is essential to the course. Homework might be researching the work of artists and designers, drawing, designing or any other individual folio requirements.
