### MULTI-DISCIPLINARY LEARNING (MDL)

**Option One:** the option to study a 7th choice (limited) which supports non-core subjects

**Option Two:** Supervised Study Periods to support pupils in the development of study skills for later in the Senior Phase

**Option Three:** Supported Study through Additional Support for Learning Team.

Progression continues for a full integration of the Senior Phase model. It should be noted that where S5 and S6 students take National Four or Five qualifications they will have an additional period of study associated with this subject.
