10 November 2016

Dear Parent,

**S3 PARENTS' EVENING: 17<sup>th</sup> NOVEMBER 2016**  
**16.00 – 18.30**

We are looking forward to seeing you next week at the above event. As part of our parental engagement programme I can confirm the sessions that will run alongside the individual appointments you will have made with teachers. Even if you are not making appointments with staff on the evening you are more than welcome to attend the sessions.

These sessions are walk in and walk out as dictated by your appointments with class teachers.

The additional sessions that will run are as follows:

Session	Room	16.30-17.00	17.00-17.30	17.30-18.00	18.00-18.30
Positive Destinations for all: how to get on the right path	A10	On		On	
Exam Terminology: understanding what is required from a parental perspective	A9		On		On
ICT resources and support for your child	A2	On		On	
The SQA exams process and Post Results Service: what parents need to know	A3		On		On

For pupils with additional support needs profiles in the Senior Phase, an appointment will be required on the evening for Pupil Support Team members to meet with parents to discuss the profile. This is essential to ensure that we support every pupil to achieve the best they possibly can in their exams. The Additional Support Team alongside the Pupil Support and Attainment Team will be available in the library.

Our Parent Council members will also be present on the evening to talk to you about their role; in addition to this our House Captains will be providing teas and coffees as well as asking for your evaluation of the evening.

The school hopes that all parents will see worth in this evening, whether it is to meet with individual teachers or to attend the sessions on offer about different ways that you can support your child during this crucial phase of their education.

If you have any questions in the meantime please do not hesitate to get in contact with the school.

Yours sincerely,
