26th September 2016

Dear Parent,

SENIOR PHASE PARENTS' EVENING: 1ST NOVEMBER 2016
16.00 – 18.30

We are looking forward to seeing you next week. Following on from our letter in September we are confirming with you the sessions that will run alongside the individual appointments you will have made with teachers. Even if you are not making appointments with staff on the evening you are more than welcome to attend the sessions.

The additional sessions that will run are as follows:

Session	Room	16.30-17.00	17.00-17.30	17.30-18.00	18.00-18.30
Health and Well Being: Mindfulness	A10	On	On	On	
Positive Destinations for all: how to get on the right path	A8		On	On	On
Exam Terminology: understanding what is required from a parental perspective	A9		On	On	On
ICT resources and support for your child	A2	On		On	On
The SQA exams process and Post Results Service: what parents need to know	A3	On	On	On	

For pupils with additional support needs profiles in the Senior Phase, an appointment will be required on the evening for Additional Support and Learning (ASL) team members to meet with parents to discuss the profile. This is essential to ensure that we support every pupil to achieve the best they possibly can in their education. The ASL team, alongside the Pupil Support and Attainment Team, will be available in the library.

In addition to all of the above we will have information available to parents on the evening from major publishers around revision materials available to

pupils to aid with their studies. Parents will be able to look at sample materials as well as take order forms away with them. The companies present will be:

Leckie and Leckie
Bright Red
Hodder Education

Our Parent Council members will also be present on the evening to talk to you about their role; in addition to this our Junior House Captains will be providing teas and coffees as well as asking for your evaluation of the evening.

The school hopes that all parents will see worth in this evening, whether it is to meet with individual teachers or to attend the sessions on offer about different ways that you can support your child during this crucial phase of their education.

If you have any questions in the meantime please do not hesitate to get in contact with the school.

Yours sincerely,

Ms L Moir
Head Teacher
