Trousers (boys only), skirts and jumpers can be purchased from the school supplier or parents / carers can choose to purchase them elsewhere within the guidance set out above.

Outer coats will not be worn around the school building. Students should ensure they have a locker or bag to put their coat in. Hats will not be worn in school.

In the summer term and start of the autumn term blazers can be removed once students are in the building when the weather is warm. Students will have their blazers with them in school so that they can be worn if necessary.

Students should label school items clearly for the purposes of lost property. Lost property can be looked for by going to Front Reception.

Any uniform infringement will be registered with the Guidance (Pupil Support) Teacher of the student; a uniform card will be provided and the student will have 5 days to rectify the problem. If this does not happen parents / carers will be contacted by the Guidance (Pupil Support) Teacher of the student.

If any parents / carers have any concerns about uniform then their first point of contact should be the Guidance Teacher of their child.
